About courses

### **FJO National Course 2018/2019**

We are organizing the next Portuguese Doctors group for the National Course 2018. The course will take place on the next 25th and 26th January 2018.

The registration is open on our website.

### **FJO International Course 2017/18**

The International Course 2017/18 first module was taught in English with simultaneous translation in to French, for a better understanding. We received about 15 international colleagues interested in sharing the knowledge in Functional Jaw Orthopedics with Wilma Simoes concepts.

### **FJO Turkish Course 2017/2018**

We had concluded another module of the Turkish Course 2017/2018. We thank to Dr. Inês Mendes, speech therapist with myofunctional speciality, who shared her knowledge in myofunctional area. As it was a successfull course, the next edition 2018/2019 will start with the first module on the next 12th 13th and 14th March 2018. Thank you all.

**Lisbon Clinic** privileges a multidisciplinary practice and introduces **two new courses**
