

## The WSEI is now an **entity certified** as a **Quality Training Organization**

Being a **certified training entity** means that its procedures and practices are in accordance with a specific quality benchmark for training.

We get a certification on the areas of **Dental Sciences, Therapy and Rehabilitation** and **Health Sciences** by a state entity **DGERT**.

Specialized teams in  
Functional Jaw Orthopedics

### **Lisbon Research**

Scientific research in the  
area of Craniofacial Growth

## **III WSEI Scientific Meeting** Saint-Malo, France

### **Theoretical-practical course with PhD Wilma Simoes**

The 2018 national course, had the presence of Dr. Wilma Simoes, one of the biggest names in the world of functional jaw orthopedics and the creator of the Simoes Network, who taught for three days an innovative course where the SN25 and SN27 appliances were introduced.

### **III WSEI Scientific Meeting**

The III Wilma Simoes European Institute Scientific Meeting was held in Saint-Malo, France from June 8th to 9th, 2018 under the title "Functional Jaw Orthopedics, a complete essential multidisciplinary therapeutic for oral and global health" Another meeting where we share scientific, clinical knowledge and human values that was therefore considered a success!

## Homage to Prof. Dr. Francisco de Morais Macedo

This year, at the III Scientific Meeting, the WSEI honored Prof. Dr. Francisco de Morais Macedo, an invited professor at WSEI, "For his passion and dedication to the study and teaching of Functional Jaw Orthopedics and Occlusion".

Congratulations!

## Lisbon School of FJO organized the III WSEI Scientific Meeting.

Prestigious names shared their scientific and clinical knowledge
