# Lisbon School of FJO organized the IV WSEI Scientific Meeting and XII IFUNA Congress under the title "Craniofacial growth x Malocclusion, why early interventions?"

## Pre-congress courses with Dr. Sandra Coulson and Dr. Roger Price

This year the WSEI Meeting had a pre-congress day on the 26th of September with two courses. The myofunctional therapy course taught by Dr. Sandra Coulson and a functional breathing course taught by Dr. Roger Price.

There was also two book launches / lectures by Dr. Marina Pereira and by Dr. Silvia Chedid.

## Scientific Meeting - "Craniofacial growth x Malocclusion, why early interventions?"

It was three days filled with learning!! 33 speakers from 19 countries came to share with us their scientific and clinical knowledge.

People from all the continents came and shared their own experience on dealing with health promotion, since pregnancy until final growth.

The WSEI team wishes to thank everyone that was involved and attended this Meeting, thanks to you all it was a huge success!!

## Upcoming Congresses

This year we made the IV WSEI Scientific Meeting and XII IFUNA Congress together. Next year, we will have 2 different events:

- XIII IFUNA Congress in November - Cuba
- V WSEI Scientific Meeting and XX International Dental Congress of Bahia CIOBA - Salvador, Bahia, Brazil, from 29 to 31 October 2020

## Prestigious names from 25 countries were present!
